MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MARCH 16, 2010

The Board was recently briefed by the California Department of Corrections and Rehabilitation on the status of their Non-Revocable Parole (NRP) program. The Board was informed that persons required to register as a sex offender do not qualify for NRP. Recent reports point to reluctance by the State to revoke parole for sex offenders for parole violations due to prison overcrowding. This is a serious threat to public safety that will further burden our Sheriff's Department's efforts to protect our residents.

I, THEREFORE, MOVE that the Sheriff's Department report in open session at the Board's April 6th meeting on their current efforts to monitor sex offenders, their understanding of what, if any, consequences apply to sex offenders who violate terms of parole and how the State's prison overcrowding is impacting the Sheriff's ability to protect our residents from sex offenders.
